[REDACTED] b7d

On [REDACTED] an informant advised that JOHN GILMAN, Chairman, and CORA BERBERICH, Treasurer of the Sobell Committee, were members of the Communist Party and that the major portion of the members of the Sobell Committee are members of the Communist Party. An informant, on [REDACTED], advised that the Milwaukee Committee to Secure Justice for Morton Sobell is one of the affiliated committees of the National Committee to Secure Justice for Morton Sobell and that the Milwaukee Committee has held regular meetings since its reactivation on July 29, 1957.

Following the execution of atomic spies ETHEL and JULIUS ROSENBERG in June, 1953, the "Communist campaign assumed a different emphasis. Its major effort centered upon MORTON SOBELL," the ROSENBERGS' co-defendant. The National Committee to Secure Justice in the Rosenberg Case--a Communist front which had been conducting the

campaign in the United States--was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October, 1953, and "then as the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case." National headquarters remained at 1050 Sixth Avenue, New York City. Co-chairmen of the newest organization were DANIEL MARSHALL and JOSEPH BRAININ.

Do you believe he should have another hearing, or  
what is your opinion?

Informant advised that these questions were discussed and turned  
over to the Executive Committee to be prepared and brought to the  
next meeting for approval, after which the members of the Sobell

On [REDACTED] confidential informant [REDACTED] furnished a leaflet b7d  
published by the Milwaukee Committee to Secure Justice for Morton  
Sobell, which reads as follows:

"Dear Friend:

"The Milwaukee Sobell Committee has launched itself on  
several activities which will help further the chances  
for a new trial for Morton Sobell.

"First, a list of questions is being prepared that will  
be the basis of a SURVEY TO BE TAKEN in the neighborhoods  
throughout the city. The purpose of the poll is to  
reveal how much the public is or is not acquainted with  
the case. The poll will also provide a means of

"Introducing people TO THE CASE.

"Second, a series of ads to be run in a neighboring community daily newspaper is being tried for a period of one month. Our address will be on the ad so people interested may write for information on the case. We are trying this to see how effective it might be in publicizing the case.

"Third, we are having two REPRINTS made. One will be of the MILWAUKEE SENTINEL news-article reporting the recent Haven Perkins public meeting arranged by the Sobell Committee. The other reprint will be of a review of the warley book by August Derleth in the Madison Capital Times.

"Lastly, attempts are being made to arrange to have Professor Malcolm P. Sharp of the University of Chicago Law School, speak before the Junior Bar Association in Milwaukee to acquaint them with the facts on the Sobell case.

"The Milwaukee Sobell Committee will meet this Monday, Oct 21, at 8 P.M. at its headquarters, Room 310, 914 N Plankinton Ave.

"We are looking forward to seeing you present.

"Sincerely,

"John Gilman, Chairman,

"Initials of poll Taker. \_\_\_\_\_"

On [REDACTED] confidential informant [REDACTED] furnished a leaflet which announced that the Milwaukee Sobell Committee was holding a Christmas house party on [REDACTED]. The leaflet further reflected that there would be a showing of the sound movie of the "Night Beat" television show interview of MORTON SORELL's wife, HELEN SOBELL.

On [REDACTED] confidential informant [REDACTED] and on [REDACTED] confidential informant [REDACTED] furnished a leaflet which announced that the Milwaukee Sobell Committee was holding a Valentine house party on February 15, 1958.

[REDACTED]

On [REDACTED] confidential informant [REDACTED] furnished a leaflet

entitled, "22 Years in Prison on a Frame-up!" which reads as follows:

"The first act of Governor C. L. Olsen upon taking office in January of 1939 was to release Tom Mooney from San Quentin Prison. The complete pardon was presented before the crowded legislative chamber in the California State Capitol. From there Mooney rushed to San Francisco to lead his union's (AFL Molders) delegation in a parade organized by the mighty trade unions of that city, in his honor. As the procession passed through the street, crowds cheered and parents held up their children so that they could see the man who was so hated by the money bags.

"Tom Mooney, dynamic union organizer, and his aide Warren K. Billings were accused and convicted of bombing a pro-war parade in 1916. Witnesses were produced who testified that they saw him place a suitcase-bomb, the newspapers clamored that this strike-leaders and left-wing socialist was guilty, and in this hysteria the frame-up succeeded.

"As time slowly passed for the imprisoned men, new evidence came to light. The prosecution witnesses confessed that they had lied. Police officers admitted coaching witnesses and even an assistant district attorney spilled the beans.

"Unions, liberals, teachers and churchmen raised a public protest. Twenty two years later after the whole populace was aroused they were freed.

"Mooney, aged by the strain, died three years later.

"Warren K. Billings is still in the fight against injustice. He writes:

"I am a free man today for two reasons. First, I was innocent. Second, enough Americans cared about justice to work, search, investigate and pay for my freedom and that of Tom Mooney.

"Morton Sobell will be free. He is innocent, and enough Americans care about decency to set him free."

On [redacted] confidential informant [redacted] furnished a leaflet published by the Milwaukee Sobell Committee entitled, "Sobell Telegram" which read in part as follows:

"Tonight I write in a bare cell, stripped of all my possessions. One doesn't have the opportunity to write a letter under these conditions very frequently. This is my last night at Alcatraz. Do you hear me? In the early hours of the morning I leave this lonely island for a long, a very long journey, to Atlanta, I was told. Will you thank everyone for me, as well as yourself and the children, for their efforts. Each will understand my thanks.

III. FINANCES

On [REDACTED] confidential informant [REDACTED] advised that the Milwaukee Sobell Committee continues to maintain a checking account b7d

at the Wisconsin State Bank, Milwaukee, Wisconsin, under the name "Milwaukee Sobell Committee" and that as of March 31, 1958, the balance of this account was \$9.25. [REDACTED] further advised that JOHN GILMAN and COEA BERNSTEIN continue to be the authorized signers for this account.

IV. STATED ALMS AND OBJECTIONS

On [REDACTED] confidential informant [REDACTED] furnished a leaflet published by the Milwaukee Sobell Committee which reads as follows:

"Dear Friend:

"We are appealing to you not only as a progressive and liberal minded person, but, also as a humanitarian.

"There sits in Alcatraz an innocent man--Morton Sobell. We, on the outside take life for granted. For Sobell, life is a living Hell. Why is it that we who have our freedom do not realize that what happened to Sobell could easily have happened to anyone of us?

"We, of the Milwaukee Sobell Committee, have been making great progress in bringing the fight of Sobell's frame-up to the people in the Milwaukee Community. However, we need more help. We need more people to attend our meetings. We need more money to be able to send out larger mailings. We need volunteers to get signatures on the Amicus Briefs.

"Our meetings are every Monday evening, 8 P.M. at 914 N. Plankinton, Room 310. Won't you join forces with us to help our fellow human being? Attend the next meeting! Pick up Amicus Briefs and secure signatures from your friends! Help us put over the public meeting September 15 which will be held at the Jefferson Hall, 2617 W. Fond du Lac, 8 P.M.

"Let's get out of our lethargy and get Sobell free. By saving his life, you will be saving American democracy!

"MILWAUKEE SOBELL COMMITTEE

/s/ "John Gilman  
"John Gilman, Chmn."

On [REDACTED] and on [REDACTED] furnished a leaflet issued by the Milwaukee Committee to Secure Justice for

Morton Sobell entitled, "A Report to our Members and Friends" which reads as follows:

"We, of the Sobell Committee, wish to make a report of some of our accomplishments since our reactivation. The Committee had before it the task of trying to gain public support and raising funds so that Morton Sobell might be able to receive a new trial. We sent out thousands of tabloids to labor organizations, press and radio, churches and synagogues, fraternal organizations, attorneys and other dignitaries throughout the community. We further solicited several hundred people for their signatures of a 'Friend of the Court' briefs. We were successful in attaining over 150 signatures in a short period.

"Our Committee held a public meeting with several positive accomplishments. First, we raised a \$100.00 which we sent to the National Office; secondly, through the press brought the issues in the case to thousands of people throughout the State. Because of the Committee's activity, even the press recognized the necessity of printing the issues in the Sobell Case. We feel that these accomplishments are meager insofar as what must be done in the future to secure a new trial for Morton Sobell.

"We intend to pursue our activites along the following:

"1. On Saturday, October 5th, we shall hold a social get-acquainted party for members and friends of the Committee.

"2. We intend to pursue our efforts in bringing the story of Morton Sobell to many more thousands of people.

"3. We will continue to raise desperately needed funds to pay for legal expenses, printing, postage and the high cost of disseminating information on the Sobell Case.

"4. We intend to interest others in active participation in the Sobell Committee.

"What Can You Do To Help?

"1. Attend our meetings every Monday night at 8 P.M. at 914 N. Plankinton Avenue, Room 310.

- "2. Write for additional information.
- "3. Contribute financially.

"For the Committee

"John Gilman, Chmn."

(OO:NY)

A report in connection with this case was last submitted on 10/16/57. A current report is due at the Bureau on 4/16/58.

A review of instant file at WFO reveals there has been no activity whatsoever on the part of the Washington Sobell Committee since the date of the last report. It is pointed out that the Washington Sobell Committee is a non-membership organization, has no headquarters and no elected officers.

Within the last six month period, material has been obtained concerning subject organization through trash cover maintained on the residence of SYLVIA BERSTEIN, 9340 Harvey Road, Silver Spring, Maryland, who is a one time leader of the Washington Sobell Committee. This material has related to the National Headquarters of subject organization and to its branches operating in other cities.

Pertinent information concerning the above has been furnished to NY and other appropriate offices.

Inasmuch as there has been no activity on the part of the Washington Sobell Committee during the past six months, no report is being submitted at this time, UACB.

WFO will submit a report promptly when this organization again becomes active. P.

COMMITTEE TO SECURE JUSTICE  
FOR MORTON SOBELL  
INTERNAL SECURITY - C  
(OO: NEW YORK)

Re Bureau letter to Boston dated March 19, 1958, and Albany  
airtel to Director dated March 15, 1958.

FRANK BUCCI, Reporter, "Boston Herald Traveler," a daily newspaper, Boston, Mass., on March 26, 1958, advised SA RICHARD H. BLASSER of the following:

On the day that Mrs. MORTON SOBELL spoke in Boston, Mass., at the Community Church, she held a press conference. She stated that she was appearing in Boston to interest people in her husband's case and to raise money for legal fees and publicity. She and her mother-in-law, ROSE SOBELL, founded the Committee to get enough signatures on behalf of her husband to force President EISENHOWER to act.

She stated that last year the National Committee (to Secure Justice for Morton Sobell) raised \$50,000.00. In two years the Committee has distributed several million pieces of literature on behalf of MORTON SOBELL. According to Mrs. SOBELL, legal minds are convinced of her husband's innocence. She feels that the United States could now make use of her husband's talents.

She said that the FBI took documents from her husband for the trial which have only recently been returned. Mrs. SOBELL stated that FBI Agents are always approaching her husband in jail and seeking his cooperation.

Mrs. SOBELL stated that she is calling for an independent inquiry committee, excluding the Department of Justice and any other Government agency, to study her husband's case.

FRANK BUCCI furnished four pieces of literature which he had obtained at the above-mentioned press conference which are:

4. A newspaper captioned "that justice shall be done" dated Feb., 1958.

These four pieces of literature are being forwarded to the New York Office for whatever action is deemed necessary.

Informants of the Boston Office when contacted advised that they had no knowledge of a formation in Boston of the above-captioned Committee.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

[REDACTED] stated that L. P. TRAINOR, Branch Organizer, Boston Branch, SWP, had made the recommendation that the SWP sponsor a MORTON SOBELL meeting, since the SOBELL case is "the number 1 civil liberties case on the national scene at the present time." Also, Trotskyist sponsorship of a SOBELL meeting would be another major blow against Stalinism and the mass

Communist Party, according to TRAITOR. Also, according to TRAITOR, the Communist Party allegedly regards the SOBELL case as "politically too hot to handle and a case to be ignored in this alleged period of tension."

From information available in the Boston Office, it appears that no formation of a Committee to Secure Justice for Morton Sobell has been accomplished in the Boston area to date. Informants have been alerted to advise this Office if such a committee is formed or is to be formed in the Boston area.

If information is received at a later date concerning the formation of such a committee, the recommendations of the Boston Office concerning additional investigation within the Boston Division will be forwarded to the Bureau, RUC.

Captioned organization, according to informants, scheduled a fund raising dinner at the Tavern on the Green, Central Park West and 67th St. for Monday evening, 4/21/58 at 6:30 PM to celebrate SOBELL's transfer to Atlanta Penitentiary from Alcatraz Penitentiary, and to coordinate the signature campaign appealing to President EISENHOWER for Executive Pardon for SOBELL. Public newspapers in NYC publicized dinner and operators of the restaurant cancelled the dinner after NYC Parks Commissioner ROBERT MOSES advised them that although he had no power to order the dinner cancelled, he would ask them to drop the affair. Operators of restaurant advised SOBELL Committee (CSJMS) that numerous telephone calls from private citizens protesting use of city park facilities for dinner and protest of Parks Commissioner MOSES had influenced them to cancel dinner as not being in public interest.

Public newspapers 4/17/58 reflect that SOBELL Committee served a show cause order on the Tavern on the Green operators asking that the Tavern be restrained from cancelling dinner to be answered in NY State Supreme Court 4/17/58 at 10:00 AM.

"It was decided that the new Sobel Committee will be called the Philadelphia Sobel Committee and will have a Working Committee composed of ten people. This Working Committee will be the central organizational committee and through it, it is hoped that smaller committees or branches will be established throughout the various sections of the city. All of these branches will be responsible to the Working Committee.

"Seven members of the Working Committee were selected, including FREDA RAPPAPORT, who is to be the chairman, JEAN FRANTJIS and ELGIN CURRY. At present, the committee plans to circulate petitions for signatures requesting freedom for Sobel and to collect funds to be used in Sobel's behalf.

"The National Sobel Committee is having a dinner on April 21, 1958 at the Tavern on the Green in New York City. This dinner will cost \$10.00 per plate and all money raised is to be used in Sobel's behalf. The various committees throughout the United States are to be represented at this dinner, at which time the petitions are to be turned in to the National Committee. Three delegates have been appointed to attend this affair. The delegates are JEAN FRANTJIS, FREDA RAPPAPORT, and ELGIN CURRY. The committee hopes to have a number of petitions signed by that time and also hopes to collect at least \$200 above the expenses of the delegates, which will be turned in at that time.

"JEAN FRANTJIS said that she had all the mailing lists for the old Sobel Committee and would pick out the most promising individuals to contribute and ask them to contribute to this cause. LILLIAN MILLMAN said that she, also, had a list and would do the same for her section of the city. Everyone is to keep FREDA RAPPAPORT posted on the progress made and the amount collected before April 21st.

PH 100-37667

"No other meetings before April 21st are planned; however, on April 24 another meeting will be held at FREDA RAPPAPORT's when a report can be given on the New York affair and also plans set up to have a big city-wide meeting in Philadelphia."

1) Report concerning Sobell meeting. The report is quoted below and any information obtained from it should be carefully paraphrased in order to protect the source's identity.

"Observations Made While Attending:

"MORTON SOBELL TALK": Friday April 11th, 1958-  
8:00 p.m. 111 Page Street,  
San Francisco, Calif.

Guest Speakers: MALCOLM SHARP: Professor Of Law,

also to raise more funds to release Mr. SOBELL from prison. It so happened recently that Mr SOBELL was transferred from Alcatraz Island, San Francisco to Atlanta, Tenn. The second more or less celebration of the affair was observed to be this transfer of MORTON SOBELL.

"Due to the distance some people traveled to come to the talk it was observed that the time of  $\frac{1}{2}$  to 1 hour elapsed before speakers started to commence. During this time of waiting and mingle here and there with the people observed were many familiar people such as [REDACTED]

b7d

"The event began with Mr. WARREN BILLINGS giving a short introductory talk telling that the transfer of MORTON SOBELL from prisons was a major skirmish in their fight to release him from the domineering forces that sent him there. He went on for awhile it was observed just building up an introduction to a Mr. ALBERT COHAN. Mr. COHAN spoke of the future campaign much to release SOBELL and talked of his new book which comes out this fall. It will have to do much about the injustice people like SOBELL have received. He went on to mention so-called great lawyers in the field that have spent their lives to defend the fight for true justice.

SF 100-35177  
FSP:RAP

Mentioned a local attorney who is his friend: BURTIE DRIVIS or BRITIS. He then introduced HELEN SOBELL.

"It was observed that entire talk given by HELEN was built for only one thing. That thing was: to touch the people there from the heart. Set in their minds: "IT IS YOUR CONSCIOUS". You must help free my MORTIE, you must help break the platform under Mr. J. EDGAR HOOVER the damnable, plans of him and the F.B.I. to send him to prison." These words may not be phrased right but; from what was heard to my knowledge: it was right. She went on to tell what it meant to touch MORTIE and talk with him now he is out of Alcatraz. It was observed she spoke on and on how so many good Justice seeking people from attorneys down to laymen have helped the cause much. But now: we have the final fight against caniving men such as J. EDGAR HOOVER who in determined to keep MORTON in prison and never to let him out. We must bring in more Petitions to be sent to the President Of the United States. Who actually is the people of the U.S. This cost more money for literature, etc. To tell and impress upon the people of the country. Set into their minds so they can too join the fight for Freedom of MORTON,

'After her talk there was abit of entertainment by two young boys who played a guitar and bass. They sang a song about MORTON SOBELL. Concerning Fight back My boy or such.

"ALBERT CONN then introduced a short time speaker by the name of Rev. MC CORMICK from the Bay Area who was a chaplain at Alcatraz during Mr. SOBELL's stay. Besides many great words from HELEN SOBELL about this Rev. MC CORMICK; Mr CONN told everyone present at meeting how this man of the church is also fighting and working with all of us to free MORTON.

"The Rev. MC CORMICKspoke about awhile how it takes awhile for a man to get into the inside self of another man within his heart and spirit. But, after much trying he reached MORTON's heart and gradually understood the horrible misery and torture he has gone through. He went on to say in many words that he is with us all the way to free MORTON from prison.

SF 100-35117  
JSP:RAP

"Mr. COHN then introduced Mr. MALCOLM SHARP. The Professor of Law, University Of Chicago and also attorney who entered last part of Rosenberg-Sobell trial. He spoke much concerning his book, Was Justice Done. Then mentioned that some of his points in the book have changed abit since the printing. He spoke of the Rosenberg affair and trial. How the witnesses were more or less pathological liars and all would be either let free or given lighter sentences if they gave in to the concentration type methods used on them. They naturally choosed to tell their statements than be punished worse. It was observed he sort of mumbled quite abit and one could not get some of his entire sentences. He went on the witnesses talks and their backgrounds. Spoke much about the American people seem to love and seek excitement. Also whenever something about Spy or Espionage comes into the limelight everone is against the accused right off. He mentioned his belief much of the stories by persons such as DAVID GREENGLASS, EVELYN COX, ELIZABETH TENTLEY, RUTH GREENGLASS, MAX ELITCHER, HARRY GOLD were just put up stories of a spy hoax and people wanted to go along with the thrill of such. It was observed though not word for word; much of his talk delt this way.

"The group that attended the talk and celebration went downstairs after to join in refreshments and getting together.

"Please note that It was observed much force was put on the people between HELEN SO'ELL's talk and MALCOLM SHARP's talk by a MARY CAVAN from the East Bay for donations 'RIGHT NOW!' She started her talk by asking, '"Who in the audience will give \$100.00 NOW" for MORTON. Gradually she went down through \$50.00 askings to \$1.00 donations plus pledges of any amount from the people. After this demanding sort of drive was over it was said later in the night that they had collected over \$500.00 from people attending."

# Appeal to the President

b7d

President Dwight D. Eisenhower  
The White House  
Washington, D.C.

Dear Mr. President:

It is because we share your deep concern for the spiritual health of our nation and for the principles of justice upon which it is founded that we address ourselves to you concerning the case of Morton Sobell.

Morton Sobell, now in his eighth year of imprisonment and confined in Alcatraz, is seeking a new trial to reverse his 30-year sentence on a charge of "conspiracy to commit espionage." Both he and his defenders maintain that he is innocent. Moreover, the trial record shows that the judge in passing sentence stated: "The evidence in the case did not point to any activity on your [Morton Sobell's] part in connection with the atomic bomb project."

We do not press upon you, Mr. President, the question of Morton Sobell's innocence or guilt--for we ourselves are not of one mind on that issue. Our faith in our democratic system of justice assures us that the truth will ultimately be established.

We believe it is vital that our nation safeguard its security, but it is important that we do not permit this concern to lead us astray from our traditions of justice and humanity. In this light, we further believe that Morton Sobell's continued imprisonment does not serve our nation's interest or security.

Therefore, most respectfully and earnestly, Mr. President, we look to you to exercise your executive authority either by asking the Attorney General to consent to a new trial for Morton Sobell or by the granting of Executive Pardon or Commutation. We take the liberty of urging your personal attention to this matter.

## Sobell Leaves Alcatraz

**I**N A PERIOD dominated by what has been called McCarthyism, a man named Morton Sobell was convicted of some sort of treason and sentenced to a long term of imprisonment, which may have been for life, in Alcatraz. His friends have never ceased to believe in his innocence. They have formed a committee to secure justice for him. We wrote a column on the subject, and one of the results was that Mrs. Sobell came into our office to thank us.

Of course, we do not know whether Sobell is innocent. We do know that he was condemned at a time when millions of Americans were hysterical about communism and that it was easy enough for an innocent man to be convicted on the principle of "guilt by association". That is to say, it might be proved that a man had associated with Communists some time in the distant past and this would prove that he was a Communist several years later. That was the essence of McCarthyism; that and the smearing of a man's reputation with the labelled man having no chance to confront and defy his accusers.

From time to time we have been in touch with the friends of Morton Sobell and have always felt sympathetic toward him and have admired the staunchness of his friends who have never faltered in their faith. The other day we learned that Sobell is being transferred from Alcatraz to a Federal penitentiary in Atlanta.

It is believed by those who continue to believe in his innocence that this may be the first step toward his final rehabilitation. Until now, when his wife wished to visit him, she had to make a round trip of some 8,000 miles to do so. This was a grievous trial, for the Sobells are not wealthy people. She will now be able to see him oftener and this will be a great lightening of his punishment, for nobody who has seen any of the correspond-

ence that passed between them can doubt the depth of their mutual devotion.

In a recent letter from Mrs. Sobell to her husband she makes a passing reference to the "inhumanity of Alcatraz" and expresses the hope that the other felons and unfortunate who have to remain in the prison might have the same good fortune to be removed elsewhere. She says further:

"We thank, with all our hearts, those who have helped us in the past, and those who will continue to help obtain my husband's release and prove his innocence. We hope and pray that he will be able to come home to us soon. It is already eight years that he has been in prison, more than five of them in Alcatraz, and now he must still endure the rigors of Atlanta. Neither justice nor humanity can be served by his continued imprisonment. We will continue our efforts for Morton's freedom with greater energy and lighter hearts because one part of the burden of injustice has been lifted from our shoulders."

Morton's mother, who is now in New York undergoing eye surgery, believes that the only hope of her life may be realized and that she may see her son again.

We quote from a letter from Morton Sobell to his wife shortly after she received news of his approaching transfer, which we think reveals him as an unusual man: "About three or four weeks ago, I had an indication that I might be leaving. But one is hesitant about accepting such signs, what with having been mistaken before. Finally, on Friday, I was told in most direct terms, but I still couldn't bring myself around to believe it, really. It was only this morning, when I was told to remain in my cell, that I knew I could believe it without danger of being disappointed. Thus it has been too many hours that I've been aloft, high up in the clouds. It will be a long journey, and tiring, but a welcome one, both in itself, and for what it means in terms of progress. Imagine—being able to see the length and breadth of the land after such a period of close confinement. To see the people, at work, at play, the engines, the rivers, the fields, the houses. In a word, everything—or almost everything (if only you were at my side so we could talk about all we saw and felt). How prophetic, your Wednesday letter from Washington, or did you really know? You spoke of now as the time when good things were slowly going to begin to happen to us (about time). I shall henceforth call thee prophet Helen, or shall I be prophetess?"

## WHO IS MORTON SOBELL

Morton Sobell is a young American scientist tried in 1951 with Ethel and Julius Rosenberg for "conspiracy to commit espionage." He was convicted and sentenced to 30 years, of which nearly 20 have been served in Alcatraz.

## WHAT WAS HIS CRIME?

No overt acts were mentioned during the trial. Only one witness, an admitted perjurer, testified against Sobell. No evidence of Sobell's knowledge or transmission of information on the atomic bomb was presented.

## WHY A 30 YEAR SENTENCE?

Tried in the heyday of McCarthyism, when scientists were being driven from government and security jobs. Sobell was a victim of political hysteria.

DATE: 5/14/58

FROM : SAC, NYC

SUBJECT: ROSENBERG CASE

On 5/1/58, Federal Judge IRVING KAUFMAN advised JIM BISHOP is working on the story of the ROSENBERG CASE to be entitled "The Time of the Atom Spies". He stated that BEN POLLICK of the Department of Justice is working with BISHOP on the book and that POLLICK has been supplying him with information. Judge KAUFMAN indicated that he had become somewhat concerned with the delay in making any progress on the book and that he thought that possibly the best interests of the Bureau were not being protected. He related that initially Mr. NICHOLS at the Bureau had been working with JIM BISHOP on the book and things seemed to be moving along very nicely when the Bureau was handling the matter. However, he stated he had gathered the impression that the Bureau had dropped out of the picture and that POLLICK had more or less taken over. He further stated that he wanted to be sure that the Bureau received its just share of credit for the outstanding investigative job it had done on the ROSENBERG CASE and that he was fearful this would not happen if we permitted POLLICK to do all of the work for BISHOP. He also thought that if the Bureau would re-establish its contact with BISHOP that possibly the writing of the book could be expedited. I told Judge KAUFMAN that I would check into the matter and let him know the present status as regards the Bureau's position in this matter.

On 5/2/58, I talked with Inspector C. D. DE LOACH at the Bureau and furnished him with the foregoing comments of Judge KAUFMAN. INSPECTOR DE LOACH stated that the Bureau has been working with BISHOP in connection with this book and has been steadily supplying him with information. In fact, BISHOP had been in Washington during the previous week and had conversed with both Mr. DE LOACH and Mr. NEASE. He stated that the Bureau's relationships with BISHOP had been most cordial, but that the Bureau was not in any position to press BISHOP in completing the book. Mr. DE LOACH explained that

MEMO

BISHOP is presently working on a contract with the Hearst people and that he has temporarily set aside working on the ROSENBERG story. BISHOP had indicated to Mr. DE LOACH that it probably would be another year before the book was completed.

Mr. DE LOACH stated that while the Bureau has been very happy to work with BISHOP on the book, that the same does not apply to POLLICK. He stated that POLLICK became persona non grata with the Bureau when he worked with former Assistant Attorney General TOMPKINS on the story that appeared in "Look Magazine" concerning the ABEL CASE, which glorified the alleged work done by the Department and negated that done by the Bureau. For this reason, the Bureau has refused to join hands with POLLICK in any liaison with BISHOP concerning the ROSENBERG CASE. Mr. DE LOACH stated that I should inform Judge KAUFMAN of the fact that officials at the Bureau had been working with BISHOP concerning the story, and had been providing him with every possible assistance; however, that I should point out to Judge KAUFMAN that there is no way that the Bureau can bring any pressure to bear on BISHOP to devote additional time to the story. He further instructed that I not indicate to Judge KAUFMAN the nature of the Bureau's relationships with POLLICK.

On 5/2/58, I called Judge KAUFMAN and furnished him with the data supplied by Inspector DE LOACH. Judge KAUFMAN stated that he was very pleased to receive this information and to know that the Bureau was cooperating with BISHOP in supplying information about the Bureau's part in this investigation. However, he added that he was still disappointed that BISHOP was not going to be able to complete the book for another year.

On 5/7/58, Inspector DE LOACH called and stated that the Director had approved my advising Judge KAUFMAN of the background concerning the Bureau's relationships with POLLICK and the reason for our refusal to work with him on the book. Inspector DE LOACH stated that the next time I was talking with JUDGE KAUFMAN that I should so advise him and let the Bureau know of his reaction.

MEMO

On 5/13/58, in discussing another matter with JUDGE KAUFMAN, I informed him of the Bureau's attitude towards POLLICK and the reason for our refusal to become involved with him in the ROSENBERG story being written by BISHOP. He stated that he very much appreciated my furnishing him this information inasmuch as he could well understand the Bureau's position in view of the slant that was given the "Look" article on the ABEL CASE by the Department. He stated it was for this reason that he was concerned that the Bureau should more actively control this situation inasmuch as he wanted to make sure that proper credit and recognition was given. He stated that he certainly did not blame the Bureau for taking the position that it did and that he certainly would be guided accordingly in connection with any of his own dealings with POLLICK.

On the same date I furnished these comments of Judge KAUFMAN to Inspector DE LOACH at the Bureau.

"There were about 60 persons present among them:

"Ethel was elected chairman for the evening. She is a young lady about 26, black hair, glasses, fair, 5'5", 125 lbs. She called on Dick Lopez the organizer for announcements. Dick made announcements concerning the Bazaar and the banquet Smorgesbord for May Day. He reported on the success of the Sobel Committee held at the Community Church. He spoke of the difficulty in getting a place having been canceled out of the Tavern on the Green. He also spoke about the pledges for the fund drive.

NY 100-97078

"The speakers list was then continued on the report given by Murry Weiss on the proposed united socialist ticket. Murryy Forbes asked for the floor on a point of personal privilege. He spoke for a few minutes in defense of the rights of those who were in dissent to the proposals advanced by Comrade Weiss and their right to question any phase of the proposals and said that no questions were to be out of bounds. He criticized the party leadership for not having the party members more completely informed on the negotiations and for not giving more details on the program on which the united socialist ticket would run.

"Comrade Doty then spoke and summarized the main arguments of the two sides in the dispute. She is a young woman about 30, 5'6", 138 lbs., black hair, fair, a little stout. She seemed to support the united socialist ticket but with reservations regarding the details of the program and the chances of which of the groups involved would swallow up the other.

"Comrade John, about 38, blonde hair, 5'10", 180 lbs., fair and stocky spoke in defense of the united socialist ticket and said it was time to have a new fresh look at things and get the party out of isolation and bring in new fresh blood. He spoke in rough working man's tones and related many of his trade union experiences.

"Comrade Hayden spoke in support of the ticket. He is about 40, 5'11", graying hair, fair, 155 lbs.

"Comrade Tom spoke for the party leadership. He is about 45, 5'10", 170 lbs., slightly dark, black hair. He first denounced the assertion that the party leadership was keeping the membership uninformed and denied that the leadership was trying to stifle questions in any form. He then spoke out in defense of the ticket calling it the party's one chance to expand and help build a labor party.

NY 100-97078

"This ended the speaker's list and Comrade Murry Weiss was given the floor to summ up on his report. He denied all charges vehemently about any attempt on the part of the leadership to stifle questions or dissents. He said that the local had been informed at every phase of the negotiations and that a large majority had expressed themselves as being in favor of the proposed united socialist ticket with the Guardianites and other socialist groupings. He attacked Comrade Vinco's arguments about the proposal being a call for the liquidation of the party. He said far from being the liquidation of the party it would be a revitalizing of the party it would be a revitalizing of the party and of the Marxist movement in the U.S. which is in such dire straits since the vacuum left by breakdown of the C.P. since the Khruskev revelations. He charged the same group of opponents to the united socialist ticket (the Marcyite faction) as having formerly opposed the sponsoring of the youth group (YSA). Yet he said within the past year since the founding of the youth group 11 young members have come into the party from the youth group and all of them working class youth. He said that through following the policy of the united socialist ticket and following it through the party can for the first time in many years bring together all those who are for revolutionary socialism, especially those C.P. members both past and present who have been frustrated by the C.P.'s policy of class collaboration which has done so much to frustrate the socialist movement.

"Bert made an announcement that there would be a meeting of the SWP socialist youth at 116 University Place on next Tuesday. (YSA).

CSNY 496-S furnished, as set forth above, information in the legal custody of the informant which was obtained at SWP Headquarters, 116 University Place, New York City.

The material consisted of 2½ double spaced typewritten pages, heavily edited with a typewriter and by handwritten insertions. The handwritten portion appeared to be in the writing of MARTHA WOHLFORTH, a member of the New York Local, SWP. A finished, mimeographed copy of this material was later furnished (5/2/58) [REDACTED] with the authorship set forth as being MARTHA WOHLFORTH. *800*

Six copies of the document furnished by CSNY 496-S, as amended and corrected, have been typed and one each is attached to the copy of instant letter designated for Bureau file numbers 100-16 and 100-427226, and New York file numbers 100-4013, 100-133479, 100-80693, and 100-128164.

Although of some length, the material furnished by CSNY 496-S has been made available in its entirety to the above files inasmuch as it set forth valuable and detailed information regarding the relationship between the SWP and the Young Socialist Alliance (YSA) specifically, and the leftist youth movement generally, in recent months. From a review of the material it can be determined that it was probably written early in March, 1958.

NY 100-4013

The general conclusions of the writer were that although the YSA was initiated by the SWP and depended on the SWP for its existence it had developed into an "unstable centrist formation" in which the political ideas of the SWP were not getting across. The organizational disintegration of the YSA was predicted due to the political diversity of its membership. It was further set forth, "we are in this youth business...for two main reasons: to build and educate a cadre of young revolutionaries who will devote their lives to the struggle for socialism, and to participate in the day-to-day struggles of young workers and students as a means of furthering these struggles and at the same time of raising the level of political consciousness of the youth." The recommendation at the conclusion of the document was that the "revolutionary youth" both within and without the SWP, should constitute themselves as a separate entity, both from the SWP and the broad "centrist youth clubs", so that they could come to socialism in their own way.

For the information of files not receiving as an attachment with instant letter a copy of material furnished by CSNY 496-S, portions of interest to them are summarized and/or quoted as follows:

In discussing the limited extent to which the SWP ideas could be expressed in a public forum because of the "pro-Stalinist" sentiment in the YSA, the following was set forth:

NY 100-4013

"A recent proposal that the YSA sponsor a debate between SHANE MAGU and MICHAEL HARRINGTON (YSL National Chairman) on 'The Defense of the Chinese Revolution', which could have been tremendously significant in drawing to us revolutionary-minded youth, as well as for the enlightenment of those we already have, was turned down on the ground that the Stalinist point of view would not be included."

In listing the heavy program of external activities which had been scheduled by the YSA the following was set forth:

C "It has endorsed a whole host of endeavors which it promises and fully intends to actively support, but which it is forced, by sheer necessity, to leave in the lurch: the Solid Committee, the American Forum, the China visitors, ECLC, the Socialist Unity Comm. (Zaslow) School,-possibly even more."

Citing the lack of a homogenous political viewpoint in the YSA, it was set forth, "A political organization without a political program cannot last! The lesson of the present regroupment period is plain. Look at what happened to a tendency which minimized the importance of program, of political ideas-the Bartell group: it has simply fallen apart!"

NY 100-4013

In recounting the maneuvers of the SWP with the Left Wing Caucus of the Young Socialist League (YSL) prior to the YSL split in 1957, the following was set forth:

"While the LWC was still a part of the YSL it began to attract new people merely on the basis of its regroupment perspective. As I recall, there were six members of the LWC who were not admitted into the YSL. MAX MARTIN (YSL National Secretary) charged us with being the only minority tendency in the whole history of the radical movement which had members of its own who were not members of the general organization. I like to think that this charge is correct, and it is typical of the audacity with which we carried out our fight. In any case, some of these six (a miscosm to be sure) came from an IYL background. Meanwhile, the AYS, initiated by the SWP in New York, was making good headway and had some close sympathizers from a similar background.

"The picture is complicated: there was an organic merger of the LWC and the SWP youth, which was accomplished in a sort of oozing manner - no negotiations, discussions, or anything like that; the two tendencies (in New York, that is) merely started functioning in a common underground caucus, carrying out a whole public forum series. Simultaneously, the ex-IYL sympathizers of the LWC and the AYS were functioning in our common caucus; and during the course of the summer new people were drawn in. Infinitely more complicated, politically, was the fact that three Cochranite youth (two of whom were LWC members) were in the common caucus, and we had to carry on a heated struggle with them before we had even reached a clear understanding ourselves of our own aims. All this was going on while the LWC was still officially a part of the YSL."

NY 100-4013

A portion of a letter sent by WOHLFORTH to ED CALNICK, "nearly six months/cir<sup>ca</sup> September 7, 1957" was set forth as follows:

".....we have actually modified our thinking considerably in the direction of... (the "Cochranites") thinking, not as a result of...(their) argumentation but as a result of our concrete experiences in working with newer and broader elements.

"For example: Originally we had the idea of launching an actual national youth org. this fall. Then we modified it to the idea of the Young Socialist Unity Committee, which, however, would be publicly launched along with the paper. We conceived of at least 10 local clubs being formed in time to formally endorse the paper by its 1st issue. All this was predicated on the idea that we would have nothing to start with besides the LWC-SWP people; thus all would proceed smoothly. But we are going much slower, which is just what... (the Cochranites) wanted, except that... (they) didn't want us to go at all."

at 7:30 PM. "Ban the Nuclear Weapon tests" was the theme of the meeting. Mr. Patterson, a Negro, was the moderator of the meeting.

The program consisted of two general parts: the cultural and the political.

Mrs. Rubenstein, an author and educator, presented a lively speech about the influence of political conviction on the field of art. She referred to such writers as Steinbeck, Hemingway, and Bernard Shaw, as well as others, whose best works she credited to the fact that they believed in communism and socialism. Mrs. Rubenstein also said that art is a weapon because it has a greater impact on the world than the military.

Following the speech of Mrs. Rubenstein, several songs were sung in Yiddish and English to commemorate the tenth anniversary of the founding of the Republic of Israel.

The presentation of "Voices of May Day" was a rather inspirational part of the program. Several "heroes" such as Julius and Ethel Rosenberg and Sobel, who dared to speak the truth, were mentioned and their "virtues" extolled. The capitalists were damned for the injustices rendered these people. This part of the program was supplemented by appropriate musical compositions, one of which was a poem by Julius Rosenberg to his sons, set to music. Voices from behind the stage dramatized the Union Square demonstrations of 1886 and 1933.

The secretary-treasurer of the Painter's Union, Mr. Weinstock, said that the worst is over for the CP; they are now getting stronger. To raise fund for the publication of a communist paper, he distributed the book, "Here I Stand" by Paul Robeson. He urged that the book be read and then passed along to friends.

MEMO

NY 97-169

The political issues of the meeting were presented by Mr. Patterson. Some of these issues were as follows:

1. Ban nuclear weapon tests.
2. Stop racial and religious discrimination (the Government was blamed for the recent bombing of a Jewish Synagogue, and the home of a Negro family in the South).
3. Take immediate steps to stop the recession (the point was made that Puerto Ricans and Negroes were the first to be laid off).
4. Release Morton Sobel from prison and give him a fair trial.
5. Press for the right of the CP to function freely as a political party.

The principal speaker, Mr. Davis, a Negro representative of the New York State CP criticized Secretary Dulles for his cares for big business and his lack of concern for the working man. He condemned the Taft-Hartley labor law, and Pres. Eisenhower was criticized for his proclamation of Law Day.

The audience consisted mostly of persons in their late fifties most of whom spoke Yiddish. They greeted each other very warmly, and it was obvious that many of them knew each other very well. There were several Oriental faces in the crowd, as well as Negroes and Puerto Ricans. The upper balconies seated some young people. The Hall was filled almost to capacity.

At the Hall entrance the May Day Committee asked the people to sign the petition to free Morton Sobel. The people were rather reluctant to do so. There was no picketing outside.

The audience of the May Day rally consisted of middle and old age people; there were also a few young men and women and a few Negroes, Puerto Ricans and Oriental people. On the stage, in front of the picture portraying a peace theme, were seated: Dr. Rubenstein, Messrs. Patterson, Davis, Weinstock, Thompson, a man who marched on May Day back in 1886, the artist who drew the peace theme picture, and others.

The celebration began by singing our National Anthem. The first speaker was Mr. Patterson, who was also moderator of the meeting. He complained that this year they must limit their celebration of the May Day to Carnegie Hall because they were not allowed to parade in the Union Square. He also said that it was a pity that their main speaker, Mr. Lombardo Toledo, from Mexico, was denied visa by the Federal Government to come to New York. He made the following proclamations, as requests to local and Fed. Gov't:

1. Stop nuclear tests and join Russia in the "summit meeting,"
2. Let Morton Sobell out of imprisonment,
3. Stop racial and minority discrimination and bombing of Jewish centers in the South,
4. Allow May Day to be celebrated again in the Union Square,
5. Stop persecuting CP and its members.

Each proclamation was applauded very enthusiastically by the audience.

The next speaker was Mr. Thompson. He spoke very briefly and carefully and said that he was very grateful to the audience for his being out of imprisonment, and that he did not expect to see such a big audience and that this is certainly a symptom of the growth of labor movement. He also said that he believed in the victory of labor class, and that we should look forward to the day (May 9, 1958) when Paul Robeson will sing in this Hall and through him the whole nation will sing.

MEMO  
NY 97-169

The main speaker was Mr. Davis from the CP in N. Y. State. He said that our Government should pay less attention to the activities of CP and be more concerned with the vital problems of today: recession, unemployment, racial and religious discrimination, etc. He also mentioned that the US Gov't should ban the nuclear weapon test and join Russia in summit meeting. He continued to say that in the Soviet Union workers are able to celebrate May Day happily under the banners of peace, where as here, in the US, they are forbidden to march on the streets. He concluded, that he also believes in the ultimate victory of the labor class.

A representative from Jewish newspaper "Morgen Freiheit" said that Israel Gov't today does not represent Israel people and is servant of Gov't in Washington, D.C.

Mr. Weinstock, ex secretary-treasurer of Painter's Union related with a great detail and a sense of ridicule that so much tax money was wasted by Gov't in connection with his trial and imprisonment just because he was accused of such petty thing as a change of the name of some May Day Committee, and how unjustly the Dept. of Justice punished him by keeping him in prison for a few years. He started the distribution of a book by Paul Robeson to raise money for publication of a newspaper. Response of the audience was in general very favorable [redacted] 870

Dr. Rubenstein spoke about literature and art in relation to politics. She discussed the contributions by various writers to the labor movement, and that those writers should be regarded as the best that ever lived.

Besided the speeches, there were songs performed on the stage to commemorate independence of Israel, song of Jew Worker and a few others. "Voices of May Day" constituted recitations of famous speeches or previous May Day parades, mentioning the communist "Heroes" who were in prison or dead for the cause of a better future of workers.

In general the atmosphere inside was friendly. Mr. Patterson announced that all the seats in the Hall were taken, which is 2700. Every speaker expressed the feeling

MEMO  
NY 57-169

that he was surprised to see so many people coming to the May Day celebration. They stated that if the May Day parade were allowed to march along the streets of New York City many more would come.

"Report on May Day 1958  
Carnegie Hall, NYC  
May 1st 1958

[REDACTED]  
Unidentified singer with guitar playing and singing songs such as 'One World' other ballads. **870**

"Honored guests arrived on platform approx. 8:15 PM. Singing of the National Anthem. Master of Ceremonies William Patterson opened meeting with the greetings 'Friends, Comrades and fellow Americans'. Extended greetings to workers throughout the world. Gave brief History of May Day. Started in Chicago 1886 (72 years ago). Aprox. 69 years ago this was spred to express an independent solidarity of the Labor Cläss. 'Today in Moscow and other cities of the USSR, Prague, China, Belgrade, Budapest, it is celebrated with victorious banners, War is no longer a policy ... The combined strength of capitals such as China Egypt etc (and other leading cities of areas not completely dominated by USSR) there is today new freedoms, both moral and spiritual, with leadership in the hands of the workers, with the goal to have Radism and Religious Bigotry'. Mr. Patterson then introduced the next speaker with the following 'Progressive, Proud of the Labor Movement, Former Member N.Y.U. Philosophy Dept., Principal of Robert Louis Stevenson High School for 18 years, author of the biography of Marcantonio (applause & cheers) Annette Rubenstein'.

"Annette Rubenstein stated that Mayor Wagner was the first New York Mayor to 'ban the streets to workers'. In the past the parades gave the message and the words from the platform were secondary. 'Tonight the platform must express the roads.' Her topic was 'Culture, Literature and Politics'. Art is a weapon - The greatest artists have deep political convictions. Quoting from an interview of Picasso by a reporter,

NY 97-169

"Picasso said, 'What do you think an artist is an imbecile? The greater the artist the more deeply he is involved in political thinking.' Miss Rubenstein continued - 'Great artists have spoken for the people, Two great contemporary leaders Sean O'Casey and Bertold Brecht (?) were proud to say they are Communists. Bernard Shaw admitted his Socialistic beliefs. 'In America the pre Civil War South Society with all its claims of culture contributed little to America while the only contribution to culture has come from the Negro Spirituals, of those in bondage and slavery suffering under a ruling class.' In recent history during the past World War I and depression days great literature has been produced such as 'Farewell to Arms', 'Alls Quiet on the Western Front' written in times of stress. 'The Grapes of Wrath' by John Steinbeck written when he had deep political beliefs. His work after his leaving the Communist Party and left political beliefs suffered decadence. 'Great artists must be radical to be great'. Art is a weapon, not a leisure or something soft, great art steels men for struggle. The great Russian literature came out of the period of Revolution. Miss Rubenstein continued that she is now the editor of a cultural magazine called 'Mainstream' with a publication of less than 4000. She stated we must live in the present, we cannot live in the past or future. She concluded with the reading of a poem by Aaron Kramer which was a tribute to Paul Robeson depicting him as the Symbol of labor, the downtrodden and in his voice he reflects you, the worker.

NY 97-169

"Mr. Patterson announced briefly, 'And now the "Voices of May Day"'. A young man approached the microphone (who later sang; believed named Wilbur Brown). Off stage group sang, 'The Marseille', the song of freedom. Quotations from 1885 leaders 1st May Day and the objectives of May Day. And because of the great contributions of the Jewish labor movement in the organization of labor in New York - all were asked to join in the tribute to Israel on its 10th Anniversary. There was introduced Miss Sylvia Kahn to sing a tribute to the Jewish people. Her first Hebrew song depicted that 'Righteousness shall Triumph.' Her second song in Hebrew depicted the woes of those who suffer poverty and the problems of ('dida gelt') 'Rent Money'. Her concluding number was from a vital opera written back in 1930's and depression called, 'The Cradle Will Rock'. It is the story of a union labor leader who was murdered and his sister calls the press together and in song asks, 'How many must be murdered, beaten etc. till world will recognize the problem of the labor. The song was about her brother named 'Joe Worker'.

"A young unidentified lady in a red tailored suit introduced (Wilbur Brown) a tenor to pay tribute to the contributions of the Irish labor leaders to America. He sang 'The Minstrel Boy', and its depicting of slavery and death by the oppression. The young lady told of Beethoven's beliefs and the needs of poor humanity. The tenor (Wilbur Brown) sang 'Tosca' by Puccini and the piano soloist paid tribute to Beethoven by playing one of his selections.

"Next the off stage voices cried out to 'unite the families of Sobell, Winston, Green and Potash and release them from the death by the ruling class'. The workers have the courage to free them. Five years ago Lionel Davis wrote the music to the farewell message of Ethel Rosenberg to her sons. It

NY 97-169

"depicted the sad separation and all the many things that must be accomplished 'by all for justice etc. in the world'. The tenor took the mike and stated that after 10 years the Taft Hartley Act is still on the books, the recent Jacksonville Bombings etc. still continue. We can look forward to future promise and hope. 'The earth is rising on a new foundation, a better world is now in Birth'. All were asked to join in singing the words of 'Hymn for the Nations' to the strains of Beethoven IX (for words see attached copy at end of report). (End of 'Voices of May').

"Mr. Patterson announced that Carnegie Hall was full to capacity, 2700 tickets sold. He then introduced Mr. Hugo Gellert who drew large mural depicting the day of May 1st, 1958. Informant submitted sketch entitled, 'Ban All Atomic Weapon Tests'. This depicted white and negro shaking hands in unity while the scientist is being pulled away from his H bomb. Reference made to fact that the face of the scientist resembled 'Dulles'.

"Mr. Patterson introduced for a bow, Morris Clancy who paraded in the 1890 May Day Parade. He read greeting from 'Gida Goda' (?) the premier of British Guiana - a peoples government. Also from Picasso and Rev. Johnson, 'The Dean of Canterbury'. Also greetings from 12 British labor units and one from the Head of the Academy of Science of China. Mr. Patterson then introduced the former secretary - treasurer of the Painters Union - active in May Day for many years.

NY 97-169

"Louis Weinstock. He stated that 'on May Day we celebrate the achievements of the past and look ahead to tasks ahead, as long as people suffer. We must oppose the threat of the Atomic and Hydrogen Bombs, Labor cannot rest.

"The joining together of the AFL and the CIO is not complete we must work to make it further organized. He believed that the World Federation of Labor unions, if given a chance, could accomplish the aims of labor. To stop the A Bomb.

"Todays radio told of the parade in the USSR where there are banners of peace. Every major city of the East and West had parades 'demanding peace' - What does our Congress do 'it debates' 'while 6 million unemployed want work'.

"Louis Weinstock then recalled with a copy of N.Y. Herald (May 1, 1886 Saturday) how labor wanted 16 hour day of the brewers reduced to 12 hours, some others 14 hours reduced to 10, etc. By the labor movement the work day has been reduced to 8 hours. But this has been a bloody struggle and will continue to be one. He told that on the last 3 May Days (1955-6-7) he was in jail for in January 1955, he was sentenced to 5 years because all he asked for was 'a rewording of the subpoena'. It had been made out to 'The United May Day Committee' and he wished it to be made out to 'The United Labor and Peoples Committee for May Day.' This subpoena was from the Subversive Action Control (?) Board. He stated 'hundreds of thousands of dollars were spent because the Justice Department would not change the subpoena.'

NY 97-169

"In contrast, in April 1958 (?) the Attorney General Brownell, the chief prosecutor, along with his friend Lawyer Thomas Dewey, representing the AT & T, sat down at a coffee 'klotch' after dinner and dropped the monopoly change card case against AT & T.

"Yet in contrast, the FBI stoolpigeons and N.Y. Police lined up in the corridors in Washington, D. C. to say that they heard Louis Weinstock speaking in Union Square and using interchangedly the 'United May Day Committee' and 'The United Labor & Peoples Committee May Day'. The stoolpigeons expenses paid by the New York Police Department and by your taxes. He was found guilty. Later on while he was in jail in Danbury, the decision was reversed by appeals court and he was freed. Persecution by the Department of Justice shows a pattern to bleed the working class and intimidate for a 'better class.'

"The AT & T monopolies want to smash the workers. That is why they have destroyed 'The Daily Worker' the last labor paper. We must pledge

- (1) to return a larger & stronger 'Daily Worker'
- (2) Return of the May Day celebration

"The program was interrupted to allow the sale of copies of Paul Robeson's Book, 'Here I Stand' (attached) to raise \$5000 for the continuance of the struggle to return the May Day celebration.

"Mr. Patterson announced greetings from Jack Mc Manus of the 'Guardian', Rockwell Kent, a

NY 97-169

leading artist and a pledge for Vincent Lombardo Toledano, President of the 'Federation of Latin American Labor'. Mr. Patterson introduced the editor of a progressive Jewish Daily, 'The Morning Freiheit' (?).

Mr. Paul Novick. He reminisced on some past May Days and what it meant to Jewish workers. For their problems were all labor problems. There was (1) Anti-Semitism - (2) The Bombing of Jacksonville Synagog (3) Segregation problem. He stated the Jewish workers need allies of the Negro and other suffering minorities and forward looking people. He stated the 'Morning Freiheit' joins the Zionists and Anti-Zionist, the religious and non religious to take up these problems. He did criticize the Israeli Government (but not the Israeli people) for their failure to live up to their constitution. He asked that no arms to Mid East (Both Israeli and Arabs). He stated that Israeli was formed by the help of Socialist governments. He is proud of the Jewish people who work collectively and join in the Marxist movement. He encourages co-existance. He criticized those who accuse the USSR of Anti-Semitism. He says those who criticize are those who will not help segregation and want the arming of West Germany where anti-semitism is growing. He stated the USSR was one of the first (if not the first) countries to brand anti-semitism as a crime. He says that there are 3 million Jews in Russia and they were saved as well as many Polish Jews by the USSR. He said other Socialist states followed the USSR in protecting the Jew.

NY 97-169

" 'The USSR wants to save the lives of all people'. 'America must be aroused to oppose the machinations of the Imperialists'.

" 'Today here in NY people are burned to death in firetraps. Suicides daily as a result of unemployment. May Day - fight for Socialism - a glorious America in a glorious World'.

"Mr. Patterson - A Resolution #1. In the wake of Worlds Economic Condition - the Negro suffers. He is the last to be hired and the first to be fired because of discriminatory grounds. Let us pass a Free Employment Act with teeth to enforce it. 'The Jacksonville Incident and acts of violence continue by .... Forces of the South. The FBI must vigorously find the perpetrators. To guarantee the rights of Negro and Jew.' To be sent to Justice Department - Resolution moved and unanimously adopted approval.

"A Resolution #2. That America decree a cessation of all atomic tests for now and for all generations to come. To stop now & cancel scheduled tests. Also our government must remove all obstacles to Summit meetings - call on all trade unions and individuals to stop atomic tests. Call on Governor Harriman and Mayor Wagner to memorialize (memorialize?) President Eisenhower to stop atomic tests. Voted unanimously.

"Mr. Patterson then introduced 'An American Hero' who at first anti fascist joined the Spanish Forces and wounded fighting Hitler & Mussolini.

NY 97-169

"in World War II & wounded - convicted in First Foley Square trial for contempt of court attempted murder of Thompson while in prison. Oregon Born. Mr. Thompson - 'Friends and Comrades'. Told of being a Smith Act prisoner and released in July, 1957. Recalled rally at Carnegie Hall when he was released. 'It has been a tough winter for the followers of the left and especially the Marxist left but this rally (5/1/58) with its large enthusiastic turnout is symbolic of our weathering the rough year'. Also the fact that on May 9th 1958 at Carnegie Hall, Paul Robeson will sing again is symbolic of the weathering the rough year. (applause & cheers). 'Now is the time for building the Communist Party. Bring Winston, Gill Green and Potash out of Prison. Free Sobell Movement must be continued. End the dragnet of convictions of Union and Party Leaders under the Taft Hartley Act!'. 'Dulles voice is loud but it doesn't speak for Americans of today and for less it doesn't speak for the Americans of tomorrow. For tomorrow's Americans will be a singing America and a Socialist America with a Boyant Happy voice and that voice will sound like Paul Robeson.'

"Mr. Patterson - Resolution # 3. 'Let Green, Potash and Winston go'. Unanimous vote yes. Mr. Patterson then introduced a man who became interested in the Scottsboro Case, a Communist leader representing the N.Y. State Committee of the Communist Party.

"Ben Davis 'Reports that our party was dying or dead if this is the picture (with 5/1/58 overflow, enthusiastic crowd) wait till they see us

NY 97-169

"when we catch on fire". 'Pitiful ignorance has destroyed May Day'. 'Critics often give credit to USSR for starting May Day but it is American. With the superior Soviet Sputnick, superior Education system, etc. don't give any more credit to Soviets - save some for the United States. For May Day originated in America'. The Reason for destroying May Day is because of the fear by the moneyed classes of the potential of the working class.

"The Loyalty Day Parade was the result of the 'Big Wigs' to kill May Day. Recent Debates shows a split in the (\$) Dollar Boys vs. Americanism. Showed all they were interested in was the \$ (Almighty Dollar).

"President Eisenhower decreed it as 'Law Day'. He should have deeds and not words & uphold the law. If he doesn't do it on Law Day, God Help us on the other 364'. A holiday should be proclaimed to recognize the labor class.

" 'We must serve notice that there will be a May Day next year in Union Square'. 'It belongs to Labor and not big money'.

"Dulles speaks for monopolists, Imperialists and Atomic Maniacs. He speaks for AT & T, for Rockefellers.

"Labor speaks for the 6 million unemployed. For the Negros, the Jews, the Puerto Ricans and Labor speaks for the millions who fight to Bar the Atomic tests.'

"Dulles must go! 'The American people must go on. The Soviets have Nobly suspended Atomic tests. An action for humanity - against the polution of the atmosphere.'

NY 97-169

"We must

- {1} Demand a Summit meeting.
- {2} End nuclear tests
- {3} Extend East-West trade to end recession
- {4} End the armaments race
- {F} Fight for Peace

"How is it that General Eisenhower visits a celebration in honor of General Robert E. Lee, the man who fought for slavery and he (Eisenhower) ignores the bombing of Negros?' 'He (Eisenhower) opposes Adam Powell but doesn't oppose the bombings!' 'He must take his hands off Indonesia & Cuba'. 'He must outlaw discrimination, segregation.' 'He must put his hands on the Bombers'.

"In quoting from Paul Robeson's book he stated, 'Freedom and dignity at Home for Slave & Liberty. Peace in the World.'

"He appealed for the Jew & Negro to unite.

"Peoples Capitalism has become peoples miseries'. There is a class struggle ahead for the Communist Party. There is an urgent need for a Marxist press. We are proud of our American Revolution (Heritage) in History. We must transport this to present conditions.' 'There is a struggle for trade unions. They should organize and form their own labor party. Despite the differences (political) that exist in certain quarters they should unite in a coalition against their common enemy - the Monopolists - They must pool their strength for present emergencies - They must get a hold on leaders

NY 97-169

"who direct the destiny of American History".

"The meeting was closed at approximately 10:40. While leaving the Hall I purchased from Miss Rubenstein a new copy of 'Mainstream' (Enclosed). Also picked up other sundries - 'Catholic Worker', 'The Worker', 'Labor Action', 'Justice in the Case of Morton Sobell'. Subscription envelope for 'The Worker', an invitation to Camp Midvale, N.J. on June 29 - Picnic for 'American Committee for Protection of Foreign Born. All enclosed for your files."

WASHINGTON SOBELL COMMITTEE

An informant advised on May 25, 1957, the Washington Sobell Committee (WSC) continues to function in the District of Columbia and is the current affiliate of the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case. This latter organization is cited by the "Guide to Subversive Organizations and Publications" prepared by the Committee on Un-American Activities dated January 2, 1957, as follows:

- "1. Following the execution of atomic spies Ethel and Julius Rosenberg in June, 1953, the "Communist campaign assumed a different emphasis. Its major effort centered upon Morton Sobell," the Rosenbergs' codefendant. The National Committee to Secure Justice in the Rosenberg Case-a Communist front which had been conducting the campaign in the United States-was reconstituted as the National Rosenberg-Sobell Committee at a conference in Chicago in October, 1953, and "then as the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case." National headquarters remained at 1050 6th Avenue, New York City. Co-chairmen of the newest organization were Daniel Marshall and Joseph Brainin.

Washington Citizens Forum

An informant reported on December 14, 1955, that the Progressive Party of the District of Columbia (PPDC) would be dissolved and a new organization formed from the PPDC in order to have a voice in civil rights matters and political campaigns in Virginia and Maryland. Another informant advised on December 17, 1955, that the PPDC was to be dissolved because of the stigma attached to the name of the Progressive Party and it was hoped that the new organization replacing the PPDC would be more acceptable to persons not previously participating in PPDC activity. An informant reported on February 8, 1956, that the PPDC was dissolved on February 7, 1956.

Another informant reported on March 13, 1956, that the Washington Area Citizens Forum was formed on March 12, 1956.

[REDACTED] THIS informant reported on May 10, 1956, that the name of the Washington Area Citizens Forum was shortened to that of Washington Citizens Forum at a meeting held May 3, 1956. On June 11, 1956, an informant made available information revealing that the Washington Area Citizens Forum was at that time being called Washington 670 Area Forum.

A previously referred to informant on May 10, 1957, reported that the Washington Area Forum continues to operate in the Washington, D. C., area and regularly holds executive meetings.

Regarding the PPDC, it is to be noted that an informant on January 31, 1955, identified the leaders of the PPDC as of that date as either CP members or CP sympathizers. Informant added that the PPDC has never opposed the CP on any issue or program.

Regarding the Progressive Party, nationally, the "Guide To Subversive Organizations and Publications," prepared and released on January 2, 1957, by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C., on page 74, states:
